

New Ways of Learning

Class Rules

Recognise a virtual classroom as a normal classroom.

Watch Educational Channels

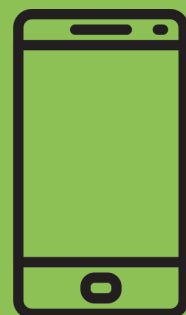

Local television channels and networks have educational programs and free sites with online support portals for queries.

Reading and Creativity

Learners can doodle, draw and explore new ways of writing. Free online audio books available for all age groups.

Continuous Learning

New and exiting apps, virtual classrooms, courses, and free websites to utilise.

Home Science Experiments

Take this opportunity to bond with your children by doing fun, safe home science experiments.

Arts and Crafts

Let imagination run wild. Get creative. Fun for the whole family.
