

What is Coronavirus?

- Coronavirus is similar to the common cold in many ways.
- Symptoms can be very mild for some people, but can be far more serious for others.

What are the symptoms?

- Fever
- Tiredness
- Dry cough
- Difficulty breathing
- Some people may also have aches and pains, blocked or runny nose, sore throat or diarrhea in addition to the above.

Coronavirus is deadly, but we shouldn't panic. Please stay calm and wash your hands regularly.
