Strategic priorities

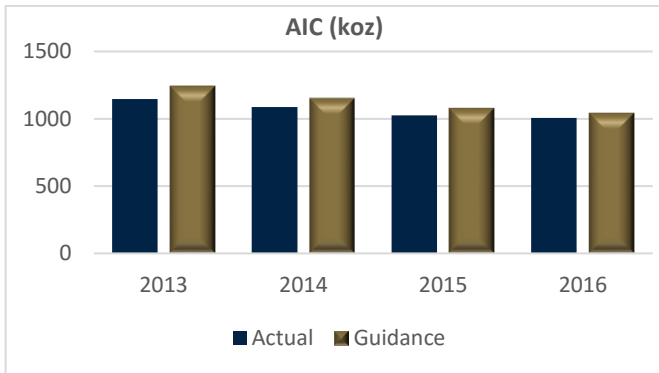

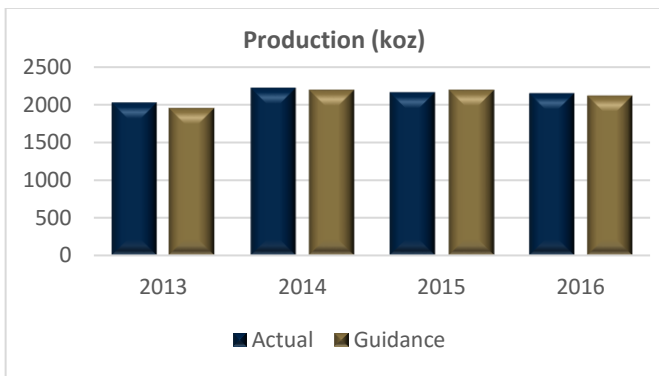

❖ Our aim is to grow cash flow and not to grow ounces

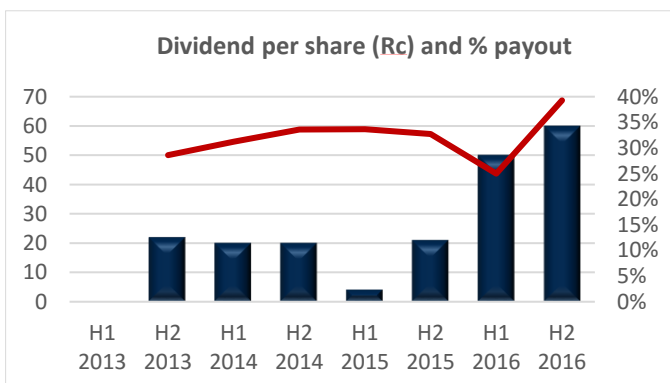

- ❖ **Good cost control and margin expansion with increase in the gold price.**

- ❖ **We are committed to delivering on our plans** in terms of both production and costs
 - Near-mine exploration continues
 - Ongoing development of orebodies is critical

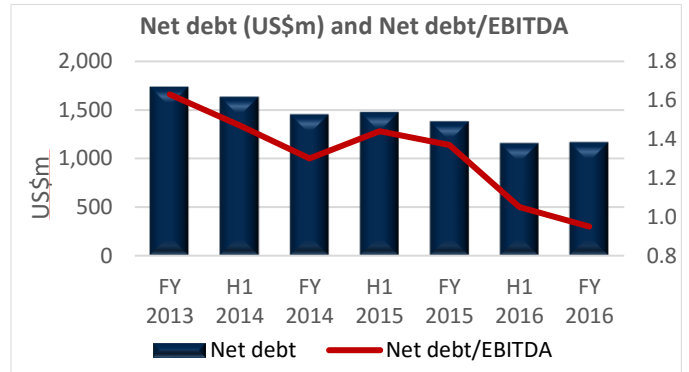

- ❖ **We maintain our dividend policy** of paying 25% - 35% of normalised earnings

- ❖ **We will continue to reduce net debt**

- Our balance sheet has flexibility with regards to capacity and maturity

- ❖ **We are firmly focused on delivering a sustainable South Deep.**
- ❖ **We will continue to evaluate value-accretive opportunities**
